

JOB DESCRIPTION

JOB TITLE: Community & Shelter Triage Staff (CSTS) (Excluded, Non Union)

JOB SUMMARY: The Canadian Mental Health Association provides mental health education and mental illness recovery-focused programs and services for people of all ages and their families. We work collaboratively to develop realistic community awareness of homelessness and provide housing opportunities for clients.

The **Community & Shelter Triage Staff** provides a range of support services to mental health consumers and /or substance users faced with homelessness and in need of temporary emergency shelter. In some cases, our employees share their own knowledge and lived experience of mental illness / substance use to assist shelter clients to successfully access services.

The CSTC collaborates with the client and their care team to determine appropriate care to meet individual needs and situational requirements. Provides clients with education, support and advocacy from a lived experience perspective. Working closely with members of the shelter team, the CSTC assesses incoming referrals to the shelter and provides case specific services.

Services include: appropriate referrals to ongoing community supports, advocating on the client's behalf in an effort to gain access to appropriate assistance, and generally educating and supporting residents who are dealing with complex bio-psycho-social issues. The CSTC role may include medication assistance to clients.
